Credit for outside experience: Credit for outside experience in coaching shall be allowed on a step-for- each-year basis up to five (5) years. This experience must be in the activity to which the teacher is assigned. For teachers hired after Jan. 1, 1979, no credit shall be given for outside experience at a middle or junior high level if the teacher is performing duties under this Appendix B at the high school level, except that teacher with ninth-grade coaching experience shall receive credit assigned to a ninth- grade coaching assignment in the same activity. In addition, in its sole discretion, the District may give year-for-year credit or it may give less than year-for-year credit for outside coaching experience of more than five (5) years. The District shall not grant more than five (5) years credit unless the Chief Personnel Officer deems it necessary to do so to obtain highly qualified coaches in a particular sport.

Experience credit within the District: Those teachers within the School District shall receive experience credit for each year in a given activity without penalty for grade level or title (e.g. an assistant coach in basketball at the middle school level shall receive full credit for years of experience toward a position in basketball at the senior level).
